MEMORANDUM FOR: Deputy Director (Support)

SUBJECT : Compensation Increase for [REDACTED] 25X1A9a

REFERENCE : Memorandum for DCI, dated 9 November 1960,
from AC/DPD, same subject. (DDP-0-5939)
(DDS-60-4088)

1. You returned to me two memoranda on personnel matters with which you non-concurred. The one that concerned military personnel for the off-shore island I have returned to FE Division with the comment that I had great sympathy with your position.

2. With respect to [REDACTED], I feel strongly that he deserves the higher salary that is requested and I also have rather strong feelings about the way in which we handle and work with proprietaries. I am sending your memorandum of non-concurrence to DPD for their comments and will take this matter up with you when I return from my present trip. I anticipate, however, that I will wish to take this to the Director over your objection.
